reaching the world

## Welcome Café Volunteers!

Thank you for your interest in the Solid Rock Café. The café is a ministry that exists to serve the church body and the community. We always welcome new volunteers, but we know that serving here is not for everyone. To help you prayerfully decide if the café is where God wants you, here are some of the things we ask of those who serve here so you have a good idea of what to be expected.

First, we ask that you have attended Calvary Chapel of Central Bucks for a minimum of six months- to both familiarize yourself with our church and for us to get to know you.

The café is such a great ministry because there are so many different ways to be involved. We have shifts ranging from 45 minutes to 4 hours. Plus the different shifts can be done on a weekly, biweekly or monthly basis, so we can work around your schedule. We have shifts that are served alone (but not until you are ready, so don't panic!), but any shift can be filled with another person. We encourage you to invite someone to serve along side with you! We have a cleaning team that meets on Monday mornings, since we're closed; it's a great time to clean after the weekend. Also each shift can be "tailored" to what you feel your gifts are. Training will be provided in all areas, but if you have a heart for books then we'll give you specific work in that area, or if you happened to be an organized person, we may ask your help in that area. We want to make sure you are serving as you are called.

We are looking for individuals who can minister to those who come through our doors by showing Christ's love in our hospitality, through serving, and through interacting with our customers. We have teenagers that come in after school some afternoons, and we welcome them in here whether they buy something or not- we are here to love them. We also serve a Christian community, so we ask you to become familiar with our inventory to help meet the needs of those seeking Christian materials.

Depending on the area that you wish to serve, we will train you accordingly. If you are making specialty drinks or using the register we want you to be fully equipped to serve and provide consistency in the products, so we are here to come along side you until you are comfortable to make them on your own.

If you are interested in volunteering at the Solid Rock Café please complete the application on the next page and return to the café, ATTENTION Sandy Ries. I am looking forward to meeting and serving with you!

Thanks again for your prayerful consideration in serving at the Solid Rock Café.

Sincerely,

Sandy Ries  
Café Manager

So the twelve gathered all the disciples together and said, "It would not be right for us to neglect the ministry of the word of God to wait on tables. Brothers, choose seven men from among you who are known to be full of the Spirit and wisdom. We will turn this responsibility over to them ..." (Acts 6:2-3). Each person has a vital part to play in the life of the church. We each have a responsibility to the people that God has brought to this fellowship, to be praying for them and seeking the Lord as to how He would have you serve His flock.
